## UNION OF SOVIET REPUBLICS HAS MUCH TO BATTLE

Weathers Internal Storms and  
External Strifes Thus  
Far

## AN OLD ENEMY Time Now Occupied With Anti-Bolshevistic Propaganda

By Otto D. Toltschus  
I. N. S. Staff Correspondent  
(Copyright 1930 by I. N. S.)

BERLIN, Nov. 22.—The union of  
Socialist Soviet republics, struggling  
through a morass of economic, political  
and social difficulties to reduce to  
reality the aims and ideals of Nicolai  
Ilyavich Lenin, thus far has weath-  
ered internal storms and external  
complications.

Today it is battling anew an old en-  
emy, it is running the gauntlet of anti-  
Bolshevistic propaganda.

From hostile hot-beds of rumor and  
hearsay throughout Europe there is  
being spread a grapevine of anti-Sov-  
iet reports, ranging from serious  
disaffection in the army to counter-  
revolutionary plots fostered by mem-  
bers of the Government themselves  
and conspiracies against the lives of  
Soviet leaders.

The Soviet Government has denied  
them all, or with stinging invective  
characterized them unworthy of  
denials.

But recalling the age-old adage that  
"where there is smoke there is fire,"  
competent international observers  
have sought to penetrate beneath the  
surface and determine just what  
foundation there may be for the sud-  
den flood of rumor and report.

The verdict seems to be that the  
rumors undoubtedly are the product  
of growing economic difficulties and  
increasing dissatisfaction among the  
masses in Soviet Russia, which is  
threatening to crack the rigorous dis-  
cipline of the Soviet party and mani-  
festing itself in growing opposition to  
the dictatorship of Josef Stalin.

The increasing number of summary  
executions for political offenses; the  
mass trials of alleged counter-revolu-  
tionaries on charges of sabotage and  
the implication of external forces in  
anti-Soviet activities are interpreted  
as evidence of growing nervousness  
among the solons of the Soviet regime  
as well as of serious hitches in the  
vaunted "five year plan."

Responsible and conservative sec-  
tions of the German press discredit the  
reports, while all reliable sources are  
unanimous in believing they are the  
work of anti-Soviet propagandists. But  
even the Soviets themselves do not  
pretend that difficulties are non-exist-  
ent.

Three recent events are more or less  
sympathetic of the Soviet situation.

One is the recent indictment re-  
turned by the Soviet attorney general,  
N. V. Krikenko, against eight promi-  
nent Soviet technical directors, which  
alleged the existence of an interna-  
tional conspiracy to undermine the  
Bolshevik regime which called for  
eventual invasion of Russia by Euro-  
pean armies and the apportionment  
of her natural resources between  
France, Britain, Poland and Rou-  
mania.

Some commentators have character-  
ized this indictment as "the defense of  
Soviet Russia"—in other words, an  
attempt to foist upon European indus-  
trialists and politicians blame for  
breakdown of the "five year plan."

Another is the arrest of Serge Ivan-  
ovitch Sirtsov, premier of Greater  
Russia, on charges of a conspiracy  
against Stalin.

Thirdly, and possibly the most im-  
portant, is the report of a "clean-up"  
in the Army. A number of officers sus-  
pected of anti-Stalin tendencies were  
reported transferred to the "sticks,"  
while some officers of the artillery  
brigade in Moscow were arrested on  
suspicion of an anti-Stalin conspiracy.

Charles Hertok, Jr., 235 Radcliffe  
street, left this morning at 8.45 a. m.,  
via T. A. T. to fly to Pittsburgh.

## STAR JUNIOR FARMER TELLS OF PLAN

NEW HOPE, Nov. 22.—David Ridge-  
way Johnson, 17-year-old Bucks coun-  
ty farm boy, named the outstanding  
student of vocational agriculture in  
the country, plans to use his \$1,000  
prize in completing his education.

Then he and his sister are going to  
try out their ideas on a 100-acre farm,  
owned by their mother.

At present David is attending  
courses at the Agricultural College at  
Rutgers University, but he finds time  
to care for 300 barred rock chickens  
at his mother's farm.

He began to study agriculture when  
he was 13, somewhat against his  
mother's wishes. She thought he was  
too young. He has always earned his  
own pocket money and is paying his  
way through college.

David's sister, Dorothy, teaches  
school at Stockton, but when David is  
ready she will join him in operation of  
the farm his mother owns. This prop-  
erty and the one where his family now  
reside are in Pennsylvania.

## RESOLUTION

The Board of Directors of The  
Bristol Trust Company desire to  
place on record their true appre-  
ciation of the services of the late  
lamented Harry H. Headley, a di-  
rector and vice-president of this  
Company, and their deep sense of  
his loss. As a result of the death  
of Harry H. Headley this Company  
has been deprived of the services  
and the active and loyal interest  
of one who has been a most faith-  
ful member of the Board of Di-  
rectors, and for a number of years  
vice-president. To all matters that  
required his services in the man-  
agement of the Company's affairs  
he gave that unselfish, intelligent  
and earnest attention and consid-  
eration which was so character-  
istic of him in the affairs of life.  
His sterling qualities endeared  
him to all with whom he came in  
contact, and cause his death to be  
felt by the members of this Board  
not only as a great loss to this  
Company but as a personal be-  
reavement. By his death this Com-  
pany as well as the community at  
large has suffered a severe loss,  
which loss, however, is nothing as  
compared to the loss of his sur-  
viving wife, to whom we tender  
deep sympathy and condolence,  
and earnestly invoke for her the  
support of higher consolation.

RESOLVED that a copy of these  
minutes be forwarded to his sur-  
viving wife, be published in the  
Bristol Courier, and also spread  
upon the minutes of this Com-  
pany.

BOARD OF DIRECTORS.  
LESTER D. THORNE, Secretary.

## OLDEST RESIDENT DIES IN HULMEVILLE

Mrs. Elizabeth Smith Suc-  
cumbs at Age of  
98 Years

## WAS BORN IN BENSEALEM

HULMEVILLE, Nov. 22.—Hulme-  
ville borough lost its oldest resident  
last night when death removed Mrs.  
Elizabeth Smith, widow of Asa Smith,  
who was in her 98th year.

The aged woman, beloved by many  
who visited her week after week as  
she was confined to her room during  
the past few years, had been forced  
to stay in bed for the past several  
days.

Prior to her recent illness, how-  
ever, Mrs. Smith had been most alert,  
taking a keen interest in things about  
her, and keeping as best she could in  
touch with the outside world, as she  
gathered folks at the home of her  
daughter, Mrs. Wesley Bilger, Nesh-  
aminy street, where she had been  
making her home.

The one who lived nearly a century  
was born in Bensalem Township, and  
had resided in this part of Bucks  
County all of her lifetime. For a  
period of 60 years she made her home  
in Flushing, Bensalem Township. She  
was born March 8, 1832.

Living for so many years on a farm,  
the little lady delighted to recall in-  
cidents of farm-life 70 and 80 years  
ago, and took much pleasure in talk-  
ing over old times with her callers.  
For the past several months her sight  
had been impaired, but she proved to  
be a most attentive listener, and read-  
ily took part in the conversation.

Four daughters and three sons sur-  
vive the late Hulmeville resident:  
Mrs. Sara McCoy, Bristol; Mrs. Mar-  
garet Bilger, Hulmeville; Mrs. Carrie  
Eschbach, of St. Louis; Mrs. Emma  
Gibson, of Trenton; Fred C. Smith and  
Allen H. Smith, of Cornwells Heights,  
and Engelbert G. Smith, of Philadel-  
phia. A number of grandchildren and  
great-grandchildren also survive.

Funeral service will take place on  
Tuesday from the Bilger home, here,  
at two p. m.

## RETURNS HOME

Mrs. William Yeagle is now at her  
Lancaster street home, following ad-  
ministering of treatment at the Harriman  
Hospital.

## FIRST CANTATA OF SEASON WILL BE PRESENTED BY CHOIR OF BRISTOL PRESBYTERIAN CHURCH ON SUNDAY NIGHT; THEME, "PRAISE AND THANKSGIVING"

Special Thanksgiving Music and Sermons Are Being Pre-  
pared by Choirs and Pastors — Churches Plan for  
Joint Service for November 27th

The first cantata of the season will  
be given on Sunday evening by the  
Bristol Presbyterian Church choir  
when "Praise and Thanksgiving" by  
Carrie Adams will be rendered, under  
the direction of Thomas H. Snelson,  
with Mrs. M. D. Weagley accompan-  
ing.

The cantata is a very beautiful one  
and all who attend the Sunday evening  
service will be well repaid.

The soloists will be: Mrs. Charles  
I. Bowen, soprano; Miss Grace Shaver,  
contralto; C. Melvin Johnson, tenor;  
and J. Harry Smith, basso.

"Let us adjourn to our several  
houses of worship and give thanks to  
God"—this is almost invariably the  
plea of the President of the United  
States of America in his Thanksgiving  
Proclamation," says Rev. S. Brooks  
Knowlton, pastor. During the coming  
week this church will take "Thanksgiv-  
ing" as its watchword. The Church  
School, with classes for all ages, will  
meet at ten o'clock, Sunday. At eleven  
we will hold a service of thanksgiving  
at which the pastor, will preach on  
the subject, "Giving Thanks—How?"  
The senior Christian Endeavor will  
meet at seven in the evening, leader,  
Miss Bessie M. Efferson, the topic,  
"Thank-full."

On Thanksgiving Day, Nov. 27th,  
this church will cooperate with the  
other Protestant churches in a union  
service to be held in the Presbyterian  
Church of the Saviour at 10.30 a. m.

Other services for the week are:  
Monday evening, Ladies' Union; Wed-  
nesday evening, prayer meeting, "The  
Religions of India"; Friday evening,  
junior Christian Endeavor at seven  
and choir practice at eight. Thursday  
evening, meeting of Troop No. 1, Boy  
Scouts of America.

## St. James's Church

Services for Sunday at St. James's  
Episcopal Church, include: 9.30,  
Church School; 10.45 a. m., morning  
prayer and sermon; 7.45, evening  
prayer and sermon.

The eight a. m. communion service  
will be omitted this Sunday.  
At the 10.45 service, the Rev. Dr.  
Yerkes, professor at the Philadelphia  
Divinity School, will be the preacher.  
Dr. Yerkes has been in Bristol many  
times before. At the 7.45 p. m. service,  
the Rev. Percy Brown, of All Saints'  
Church, Torrresdale, will preach.

The Mothers' Guild will meet on  
Tuesday at the parish house as usual.  
On Thanksgiving Day, a celebration  
of the Holy Communion will be held at  
8 a. m.

From Nov. 30th to Dec. 14th, the an-  
nual every member campaign will be  
held. This is an effort on the part of  
the church to enlist everyone to a  
greater degree of faithfulness. The  
aim is "Every interested person at-  
tending church every Sunday, and  
every one on the rolls of the Church  
School attending every Sunday." It is  
high time for every Christian to take  
a definite stand in religion, and help

## "WHO IS THE GREATEST?" IS LEAGUE RALLY TOPIC

Rev. George F. Hess, Bristol,  
Addresses Young People  
in Scottsville Church

## MISSIONARY SING S

SCOTTSVILLE, Nov. 22.—An ad-  
dress, "Who is the Greatest?" by Rev.  
George F. Hess, pastor of the Bristol  
M. E. Church, and vocal selections by  
a young woman, a missionary to Peru,  
were the features of the November  
rally of the Bristol Group Epworth  
League in the Methodist Church here  
last evening.

"Christianity," said Rev. Hess in his  
stirring talk, "is a religion of accom-  
plishment and activity," and contin-  
ing "Those who are really great in  
the eyes of God are those who do."  
The message was well received by the  
100 eager young folks who crowded  
the auditorium of the little church,  
here, for their bi-monthly session.

Mrs. Rose Pent, a former resident  
of this section, and who for the past  
several years with her husband has  
been teaching and preaching among  
the native Indians in Peru, sang "I  
Have Christ, What Need I More?" and  
"Moment by Moment."

The session was presided over by  
Howard Phillips, Langhorne, presi-  
dent of the group; with Rev. A. M.  
Vivian, pastor of the hostess church,  
offering prayer; and Rev. B. W. Shay,  
of the Yardley M. E. Church, pro-  
nouncing the benediction.

Banner for having the largest dele-  
gation present was presented to the  
Bristol Epworth League; while to  
Yardley group was awarded the ban-  
ner for having the largest percentage  
of members in attendance.

An invitation extended by Hulme-  
ville leaguers to conduct the next  
rally, Friday, January 16th, in Hulme-  
ville, was accepted.

Refreshments of ice cream and  
Wednesday evening, eight p. m.,

## HERE AND THERE IN BUCKS COUNTY TOWNS

Keystone Motorists Hold Jolly  
Time in Upper End of  
The County

## OTHER COUNTY NEWS

Over 1,000 persons crowded the  
Karlton Theatre at Quakertown when  
the Keystone Automobile Club staged  
a "family party" to its members and  
friends living in the "upper-end" sec-  
tions of Bucks county. It was one of  
the most enthusiastic community  
events this borough has ever wit-  
nessed.

Motorists were enlightened as to the  
new and increased services rendered  
by the Keystone Automobile Club that  
now has a membership of 54,000.  
There were splendid addresses by  
State Senator Clarence J. Buckman,  
of Langhorne, dean of the good-road-  
building legislators of Pennsylvania,  
and several other persons of impor-  
tance in the affairs of the state.

A golden double eagle he had car-  
ried for years as a lucky pocket piece  
and repeatedly refused to sell at any  
price, may lead to the identification  
and conviction of two stocky bandits,  
wearing improvised masks, who beat  
John R. Newbold, Sellersville furni-  
ture maker, into insensibility in his  
factory office, Wednesday night, and  
robbed him of \$65 including the lucky  
coin.

Thus far Chief of Police Frank Hal-  
man, of Sellersville, has adduced no  
further clue. It is now believed that  
while he was unconscious from a blow  
upon his head Newbold's assailants  
kicked or struck him in the face also  
for a badly swollen jaw gives him  
more pain than the slight abrasion of  
his scalp. Halman has abandoned his  
original theory that the aged furniture  
manufacturer was hit with either a  
blackjack or a length of lead pipe for  
either would have split the scalp he  
believes. Newbold's head injury is  
more like a severe bruise.

Newbold was not wholly certain to-  
day whether he would be able to po-  
sitively identify his assailants if they  
are captured. He believes they were  
white men, but suspicion in Sellers-  
ville has been directed toward negroes.  
He could not identify their voices for  
they did not utter a word during the  
flash preceding the attack and his  
passing into insensibility.

"It all happened so swiftly," the  
manufacturer reiterated today. "I  
heard a noise at the door and as I  
dropped the newspaper I had been  
reading they sprang upon me. All I  
recall distinctly is that they were  
men of medium height and that their  
faces were covered."

Between twenty and thirty minutes  
is believed to have elapsed between  
the attack and Newbold's recovery to  
find his wrists bound with twine, cur-  
tains torn from a doorway wrapped  
about his face and throat, and his  
wallet containing \$65 gone. Chief  
Halman professed to accept the town  
theory that the boldly executed theft  
was the work of amateurs, residents of  
the town or nearby, familiar with the  
layout of the Newbold plant and its  
proprietor's habits.

## Annual Turkey Party To Be Held Monday Evening

The annual turkey party given by  
St. Mark's Parish and held in St.  
Mark's School Hall, will be held on  
Monday evening.

Fifteen turkeys as well as one hun-  
dred eighty other prizes, consisting of  
linens, china, end tables, glass ware,  
lingerie, jewelry, silk stockings and  
many other desirable articles have  
been accumulated by the members of  
the committee, who have been ener-  
getically working to make this party  
the banner one of the season.

Prospects are that the spacious hall  
will be filled with a record breaking  
crowd and guests are asked to arrive  
by 8.30 for their table assignments.

The games of bridge, pinochle and  
"500" will be played and an evening  
of enjoyment is promised the guests who  
will attend.

Pinochle will be played according to  
Bristol rules.

Refreshments will be on sale, fol-  
lowing the game.

## TO START WORK ON DIAL PHONE SYSTEM

Installation of Central Office  
Equipment to Soon Get  
Under Way

## BUILDING IS COMPLETED

Installation of dial central office  
equipment in the new Pond street  
building of the Bell Telephone Com-  
pany as a prelude to the establishment  
of dial service here next summer, is  
scheduled to be started in a few days.

Announcement to this effect was  
made today by A. B. Hennessy, man-  
ager for the Bell Telephone Company  
of Pennsylvania, who said that con-  
struction work on the building has  
been virtually completed.

The Bristol dial program will neces-  
sitate a total expenditure of approxi-  
mately \$240,000, of which about \$95,000  
will be required for the new central  
office apparatus. The remainder will  
be devoted to purchase of the site, con-  
struction of the building, installation  
of dial telephones in the premises of  
subscribers, and construction of addi-  
tions to the existing cable network.

Installation of the dial equipment  
will require several months, after  
which a staff of technicians will test  
each piece of apparatus to make cer-  
tain that it is in perfect working order  
and ready to function at maximum ef-  
ficiency when actually placed in serv-  
ice.

## HIGH SCHOOL SHOW

The show to be given November 24th  
and 25th by students of the high school  
will begin at 8.30, o'clock each evening  
and not at eight o'clock, as announced  
on the advance tickets.

## Today in History:

Edward Thatch or Teach, known as  
Blackbeard the Pirate, killed—1718.

## BATH ROAD

A number of friends gathered at the  
home of Mr. and Mrs. Harvey B. Wal-  
dron, Maple avenue, to surprise Rich-  
ard Bradley, of Tacony, in honor of  
his birthday. The evening was pleas-  
antly spent with music and dancing.  
At a late hour Mrs. Waldron invited  
the guests to the dining room to par-  
take of quite a bountiful supper. The  
guests were: Mr. and Mrs. William  
Dickie, Mr. and Mrs. John Blessing,  
Mr. and Mrs. Joseph Wilkinson, Mr.  
and Mrs. Joseph Bradley, of Tacony, and  
Mr. and Mrs. Waldron.

Mrs. Wilbur S. Muffett, of Bath  
Road, has returned to her home after  
receiving treatment in Temple Uni-  
versity Hospital.

Mr. and Mrs. Harvey B. Waldron, of  
Maple avenue, have had a radio in-  
stalled.

Newton Ganther, of Tacony, was a  
recent dinner guest of Mr. and Mrs.  
Harry Patterson, of Bath Road.

Mrs. Lewis Adams, of Bala, has been  
spending two weeks with Mr. and Mrs.  
George A. Miller, of Bath Road.

## Mrs. Katherine Grupp Will Be Buried Monday Afternoon

Funeral will be held at Eddington  
on Monday afternoon for Mrs. Cath-  
arine Grupp, widow of J. Grupp, who  
died there on Thursday.

The deceased, 87 years of age, is  
the mother of Otto Grupp, Sr. The  
late Mrs. Grupp was born in Germany  
November 16, 1843. She had been ill  
for two weeks.

The funeral service will take place  
at the home of the son of the deceased  
with whom she resided at 1.30, with  
burial in Chelton Hills Cemetery.

## GIVES VIVID PICTURE OF THE NEAR-EAST

Dr. Sam'l M. Zwemer, Arabic  
Scholar, Shows What the  
Arabians Are Doing

## IMPORTANT COUNTRY

"How Near is the Near East?" was  
the topic of a very interesting and in-  
formative discourse given last night  
by Dr. Samuel M. Zwemer at the an-  
nual Father and Son banquet held in  
the Presbyterian church.

The affair was attended by nearly  
100 and was held in the dining hall of  
the church with Dr. Charles H. Peet  
presiding as toastmaster.

Dr. Zwemer is a very distinguished  
author, lecturer, traveler and Arabic  
scholar. He spent 30 years in Arabia  
and is perfectly familiar with condi-  
tions there.

In his talk Dr. Zwemer portrayed  
the close relationship existing between  
the Near East and the rest of the  
world.

"The Near East is a very topsy turvy  
country," said the speaker in his open-  
ing remarks. He told of the pearl  
fishermen of Arabia, how they went  
down into the depths of the water for  
the choice pearls of many hues. He  
told of the dangers they encountered  
from sharks against which they must  
always be prepared to fight.

The pearl fishermen suffer many  
hardships that others might have the  
objects of their search. Perforated ear  
drums are a common result of the  
work of the fishermen due to the tre-  
mendous pressure of the water.

It was the Arabians who first dis-  
covered coffee and it was brought out  
by a Dutch sea captain in 1547.

Even the glue on the back of a post-  
age stamp is made of gum arabic and  
the rubber trees of Java and Sumatra  
are milked so that the rest of the  
world will have a supply of rubber for  
the many and varied uses to which it  
is put.

The Arabic figures were found more  
convenient to use than the Roman  
numerals and hence this is another  
thing for which the world is indebted  
to the Near East.

The science of chemistry came from  
Arabia and 50 of the biggest stars  
have Arabic names.

"Look in the back of your Bibles,"  
said Dr. Zwemer, "and there you will  
find maps of the Near East. You will  
not find maps of New York or Chicago  
there but maps of the Near East."

"Jesus loved that country and so you  
and I here in America."

## TWENTY-SEVEN MOTHERS ON PAYROLL

DOYLESTOWN, Nov. 22.—Trustees  
of the Mothers' Association Fund of  
Bucks County held their monthly  
meeting here on Tuesday.

The board of trustees comprises Mrs.  
William C. Ryan and Miss Laura

CARELESS

"As safe as in your own home" has ceased to be a phrase of reassurance. In its literal sense it denotes a situation not without many hazards and dangers.

Approximately 24,000 persons are killed in their own homes in the United States in a year. Until a year ago this death rate kept pace with the automobile mortality rate.

More children of school age are hurt or killed in their homes than on the street and school grounds. Falls and burns are chiefly responsible for this large toll.

Man is a more or less graceful animal, yet a third of the accidents that befall him while in the "security of his castle" are due to falls. As commonplace and domestic a thing as the bathtub is an instrument of death and injury. Young and old alike are also constantly falling downstairs, over toys and other articles left on the floor, and off chairs, stepladders and boxes.

Though accidents seem to pursue humanity like the proverbial jinx, most of those that occur within the home are easily avoidable. A little care to prevent fires, asphyxiation, electrocution and burns, the placing of matches and poisons beyond the reach of children, the lighting of dark stairways, care against slips in the bathtub and from ladders and chairs while reaching high places would greatly reduce the home accident rate.

Eventually, the public may regard traffic accidents with as little concern as it shows the high accident rate in the home. Man quickly becomes accustomed to the dangers that beset him.

INEFFICIENT

Contrary to popular belief, science proves that the human body is not the most efficient of machines. In terms of fuel consumption and potential energy utilized, even the finest athletic specimens are about on a par with the motor car of the vintage of 1910.

Slow-motion movies and scientific calculations show that the mechanical work of running requires three horsepower, but that the runner consumes oxygen at a rate equivalent to the production of 13 horsepower. That gives him an efficiency of 23 per cent.

Much of the waste energy is employed in stopping the legs and arms at the end of the swing, in making contact with the ground and in overcoming gravity. Further loss of energy might be accounted for by the terrifying contortions of the runner's face.

These calculations shed some light on the gradual displacement of human hands in industry by machinery. Man is more efficient with his brain in saving labor than he is in producing with his hands. Efficiency tests also bear out the theory that man "chokes" that engine, which is his body, with too much fuel in the form of food.

The best reflections come from thinking instead of looking into mirrors.

The only two creatures referred to as "so human" are a great man and a monkey.

The "upper class" is much like the others, except that it doesn't wash its own cars.

They Overlooked the Diamonds

THERE is a modern flippancy to the effect that "What you don't know won't hurt you." It is also a fallacy. For instance:

The farmers of Kimberley were a disgusted, disheartened lot. They said the soil was too rocky to earn them a living. Some of them left. Others died in poverty.

And all the time their children were playing with diamonds.

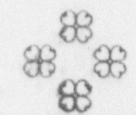

But the farmers didn't know. They thought the priceless gems were pebbles.

Don't be like those Kimberley farmers. Know!

Don't seek opportunity in some distant place and overlook the diamonds that are daily within your grasp. Know!

Advertising is a mine of opportunity. It tells of values you wouldn't know about if it were not there to guide you.

The secret of economical buying is information. The man or woman who is best informed is the one who buys to best advantage.

## DISCUSS "PUBLIC HEALTH BILL"

HARRISBURG, Nov. 22 — (INS) — Enactment of a "public health bill," which would restrict the sale of certain drugs and medicines by merchants unfamiliar with their nature and results is expected to be urged at the coming session of the Legislature by the Pennsylvania Pharmaceutical Association.

At a meeting here, provisions of such a bill were discussed and considerable support for its presentation to the Legislature was evidenced.

Further discussions of the proposed measure will be held before the Legislature convenes, to determine the scope of the bill and method of its presentation.

## Thanksgiving and Transportation

Thanksgiving Day will be a holiday when many people will rest from their labors.

This year it will be a day on which many will devoutly wish that they might be working.

But whether one is working or not, it is a good time to consider one's advantages.

We who provide your local transportation service are thankful that in spite of many irritating difficulties we are able to keep our buses and trolley cars on reasonably good time.

We are thankful for the consideration which our patrons show us, and we try to reciprocate by offering those little courtesies that make our service a truly personal one.

We are confident that conditions are steadily getting better, even though the improvement in general business is slow.

All of us are thankful for the improvements we happen to observe, and are hopeful for a speedy return of genuine good times.

Let Thanksgiving Day be just what the name implies—a day of appreciation for the many good things we enjoy, in spite of everything.

For ourselves, we will serve you on the holiday, and on every day, to the best of our ability, ever striving to make our service exactly what you, and we, would like it to be.

### TRENTON A. C. TO OPPOSE ST. ANN'S HERE TOMORROW

By T. M. Juno

Yardley, New Hope and the Kents have disbanded their football teams for the season. The players of these clubs have gotten together and formed the Trenton A. C.

This is the eleven that faces the Bristol St. Ann's tomorrow on Sullivan's Field where the home team returns after an absence of four weeks.

The Trenton A. C. has six players from Yardley, two from New Hope, and ten from the Kent Tigers. The team is being managed by Charles Saams. The coach is "Benny" Gould, former lineman of the Kents. "Brownie" Lawrence is captain of the squad.

The "Aces" come here with a line averaging well over two hundred pounds. The center of the team, Bruther, tops the scales at two hundred and thirty pounds. The rest of the line is easily an average of two hundred and ten pounds. The backfield is very fast, being the same boys that led the Kent Tigers and Yardley to many victories.

In the "Aces" line-up will be "Johnny" Kelly, son of "Spider" Kelly, who is track coach at Princeton University. Kelly will be at fullback. The rest of the line-up will probably be:

Ends, Crush and Howard; tackles, Exner and Abrason; guards, O'Donnell and Harmon; center, Bruther; quarterback, Lawrence; halfbacks, Nelson and Fink.

The "Saints" will use the same team that held Trenton to a low score two weeks ago. The "Saints" record to date is three victories and three defeats and it seems as if a win Sunday will put them in stride for a Bucks County championship game with Doylestown.

The St. Ann's management is also dicker for a fray with the Roebeling Blue Centers which was held to a tie by Trenton A. A. last week. The Trenton team on this occasion did not have "Pete" Johnson or Johnny Coffee in instrumental in defeating the Bristol the line-up and these two boys were tema when they played.

The Dorrance street boys' line-up will be as follows:

Ends, Roe and Gildardi; tackles, Seneca and Kornstedt; guards, Praul and Lasprella; center, Oriola; quarterback, Sabatini; halfbacks, Spadaccino and Greco, and fullback, Moffo.

This game will begin at 2:15 sharp. Coach Townsend, of the Bristol High School will referee. John Smoyer will umpire while Paul Brown handles the sticks.

### HESTONVILLE ELEVEN TO PLAY BRISTOL A. A.

By Leon Schiffer

Coach Corrigan's proteges will be primed for the invasion of the Hestonville eleven when both squads meet on the Eddington gridiron tomorrow.

Although all indications disclose the fact that the Hestonville eleven, which is one of the leading contenders for the suburban championship of Philadelphia, should win, there is little likelihood that the result will be one-sided. The Hestonville squad to date are undefeated, and while conquering National Park and Tacony, the local boys have yet to win their most decisive victory of the season.

Hestonville will probably have the advantage in physical bulk. The team that the visiting mentor plans to start presents a line averaging more than 185 pounds per man, as backfield averaging 170, and a grand average of 178.

The Bristolians will be outweighed by a wide margin, Coach Corrigan's nominees to start the struggle averaging about 175 pounds per man.

Although the visitors have a well rounded attack, they are expected to resort to plenty of lateral and forward passing. However, the Bristol mentor is confident that the defense of the Blue and Gold will be strong enough to hold their opponents in check.

The local eleven expects to use a diversified attack against the Hestonville squad, with aerials playing an important part. The practice sessions this week were confined to an intensive drilling of the newer players and a complete rehearsal of formations.

The visitors will, no doubt, have as their main pivots the McGinley boys, brothers of that All-American tackle from Penn. and Joe Motgan, former 10 second man from Swarthmore.

Although as yet Coach Corrigan is somewhat undecided upon what the starting line-up will be, all indications point towards the following: Ends, Dougherty and Barrett; tackles, Kelly and Satterthwaite; guards, Tryon and McGee; center, Larry David; quarterback, H. David; halfbacks, G. Dougherty and Trotter; fullback, Jeffries.

A large crowd is expected and the boys will be greatly pleased by a greater increase in the attendance of the public.

### Experiences Are Given By Women of Travel Club

(Continued from Page 1)

Bristol will be proposed as a nucleus for forming a group of Juniors, should the said young women desire such organization. The committee working to this end is composed of Mrs. Bradley Andrey, Mrs. Roy Tracy, and Mrs. Linton Martin. Mrs. Tracy and Mrs. Martin gave brief reports of a meeting of Juniors of the Southeastern District of Pennsylvania held in Philadelphia Thursday night, and passed on word of the splendid enthusiasm there manifested, and told of the steps necessary to form such a group.

A series of six card parties are being planned throughout the winter, to take place on the second Tuesday of each of the next six months. The money derived will be used toward financing the playgrounds next summer.

A food exchange occurred at the conclusion of the session.

### First Cantata of Season By Presbyterian Choir

charge of Doron Green, superintendent; worship with sermon by the pastor, Rev. George F. Hess, at 10:45 a. m., theme, "Unthankfulness"; Epworth League devotional service at 6:45 p. m., subject, "Deciding to Believe"; worship with sermon by the pastor, at 7:45 p. m., the second of a series of sermons on "Christ's Ministry" will be preached from the theme, "Jesus and the Self-Confident."

All members and friends of the church are requested to contribute to the donation of soup, on Sunday, at either service. This donation is to be sent to the Methodist Fifth Street Temple in Philadelphia, where hundreds of hungry unemployed men are fed each week. A few nights ago 125 men slept on the cement floor of the station house, nearby, and most of them were fed at the Temple. A generous response should be forthcoming.

Choir rehearsal will be held on Tuesday evening at eight o'clock; Junior League is on Wednesday afternoon at 2:30 o'clock; prayer meeting will be omitted this week. Boy Scout Troop No. 6 will meet on Friday evening at 7:30 o'clock. The monthly musical service will be held Sunday evening, November 30th, at 7:45 o'clock.

## THE NEW CHEVROLET SIX HAS MANY IMPROVEMENTS

The introduction of the new Chevrolet Six marks the most impressive forward step in Chevrolet's twenty-year record of constant progress and improvement. For this Bigger and Better Six offers new beauty, new luxury, new completeness and new quality—yet it sells at lower prices!

In every curve and sweep of Chevrolet's modern lines—in every detail of its new Fisher bodies, you will see the fine hand of the master designer and the skillful craftsman. And the more closely you inspect it, the more deeply impressed you will be.

The improvements in the new Chevrolet Six begin at the smart new chrome-plated headlamps and extend throughout the entire car. The radiator is deeper. The lines are longer and lower, giving an air of exceptional fleetness and grace. And the interiors of the new Fisher bodies provide a new degree of

comfort and luxury: greater roominess; fine quality mohair or broadcloth upholstery; more pleasing interior fittings; and a new, completely equipped instrument panel.

The chassis of the new Chevrolet Six has also been refined and advanced in a number of different ways. The frame is heavier, deeper and stronger than before. There is a smoother operating, long-lived clutch; a sturdier front axle; an entirely new steering mechanism; an easier shifting transmission. In fact, every vital feature of the new car has been made better to provide more thorough satisfaction for the owner.

And along with these improvements, Chevrolet offers the smooth performance of a 50-horsepower, six-cylinder motor—four long semi-elliptic springs—four hydraulic shock absorbers—a safety gasoline tank at the rear of the car—and an economy of operation not surpassed by any automobile.

### • • AT NEW LOW PRICES • •

Fine as it is, the new Chevrolet Six now sells at lower prices—making the economy and satisfaction of Chevrolet ownership even more outstanding. We urge you to come in and see

the Bigger and Better Chevrolet. Its modern design reflects the spirit of the times—and it represents a value which will command the interest of every buyer in the low-price field.
